EXPOSITION AUTOS MAY COME THIS WAY

Mayor Gurney this week received a letter asking Lehi to join Provo and other Utah county towns in trying to secure a part of the Panama Exposition traffic to come through this county. It is planned to divert them at Echo, and send them through Park City, Provo Canyon and Utah county, back to Salt Lake City.

TEAMS WANTED

Monday, March 15th, will be set apart for beautifying the City Park, plowing it up, leveling off the high places and getting it in condition for platting and planting. The generous and public-spirited are invited to donate teams, plows and scrapers. Several teams have been offered, but 20 teams are desired.

W. F. GURNEY, Mayor.

M. I. A. Farces Thursday Night

The three M. I. A. farces, "John Smith," by the Lehi Second Ward, "A Rough Diamond," by the Lehi Fourth Ward, and "My Neighbor's Wife," by the American Fork Third Ward, will be presented in the Royal Theatre next Thursday night. The farces are all screaming successes. The players have been at work on them for several weeks. The three in one performance was put on in American Fork last Saturday and scored a triumphant success.

An \$80,000,000 Mine

Mr. and Mrs. William Wing, Mrs. Clara Goates and Mr. and Mrs. S. W. Ross were members of the Legislative party who visited the big Utah Copper mine at Bingham on the 7th inst. Just as the special train of six coaches had unloaded its passengers, several hundred charges of blasting powder were set off. This one mine alone, when working normally, ships 25,000 tons of ore per day. A whole mountain is being quarried away and loaded on cars with steam shovels. At the present stock quotations, the Utah Copper mine and mill has a valuation of 80 million dollars. Last year nearly \$15,000,000 was taken out of the ground. One third went for wages, one third for supplies, and the other third for dividends.

A powder factory is being built between Bingham and Garfield, which will employ 2,000 men.

Lehi Develops Another Wrestler

Monday evening there was an athletic contest between the B. Y. U. and the A. C. at Logan. The principal contests were wrestling bouts, and the principal bout was the heavy-weight contest between an A. C. man named Anderson and Bernard Bradshaw of the B. Y. U. Though Bradshaw weighed but 160 pounds and his opponent 175, the B. Y. U. man threw the Logan heavy-weight in between 2 and 3 minutes.

Mr. Bradshaw is a son of Mr. and Mrs. John Bradshaw, and is but 20 years of age. He has been training only since Christmas, but has thrown everybody in the B. Y. U., including the physical director.

School Board Buys Taylor Property

The School trustees met with S. J. Taylor Tuesday evening and consummated the deal whereby the school district secures the Taylor home on the corner of Center and First North Streets, to be used for school purposes. The consideration is \$3,000, which includes the cement sidewalk. Mr. Taylor, however, will be permitted to remove all the out building in consideration of his clearing the premises of all rubbish, obstructions, etc. There is talk of joining the city and school libraries in one and placing them in the newly acquired property. Mr. Taylor contemplates the purchase of a part of the Wines property west of the Wines Park.

Home Economics Expert Coming

Miss Gertrude McChyne of the Agricultural College will be in Lehi on the 22nd inst., and will meet with the ladies of the city and organize a Home Economics Association. In other cities, flourishing associations for the study of home problems have been formed, and Miss McChyne plans to form one here.

Results Tell

There Can Be No Doubt About The Result in Utah County.

Results tell the tale. All doubt is removed. The testimony of an American Fork citizen.

Can be easily investigated.

What better proof can be had? Mrs. Stephen Shelley, Third North and Third West Sts., American Fork, Utah, says: "One of my family had rheumatic pains and lumbago for years. He always felt the trouble worse before a storm or in damp changeable weather. A neighbor advised him to try Doan's Kidney Pills. He didn't take them as regularly as he should, but they proved very satisfactory. The pains in his back were relieved. Whenever he feels out of sorts, he takes a dose or two of Doan's Kidney Pills and they fix him up all right. I am just as willing to recommend Doan's Kidney Pills today as I have been in the past."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Shelley recommends. Foster-Milburn Co., Props., Buffalo, N. Y.

Dry Farmers to Grow Spring Wheat

Because of the high price of wheat and the prospects of it continuing high for several years, George G. Robinson is using all his influence to get the dry farmers to plant more wheat. It is too late to plant fall wheat, so Mr. Robinson has imported several car loads of the best varieties of dry farm spring wheat, varieties that have been tested in other localities and proved out. The varieties received this week are Blue Stem, Colorado Special and the famous Canada spring wheat known as "Markis."

The first two varieties are soft wheat, but the Markis is as hard as Turkey Red and almost as high in gluten and other desirable flour making qualities. Undoubtedly the farmers will avail themselves of Mr. Robinson's generosity, as he is not making any profit, but selling the wheat at cost.

The famous Albert district in Canada, which formerly grew Turkey Red almost exclusively, now grows ninety per cent Markis wheat.

Farmers Will Discuss Telephones

The Farmers' Society of Equity will hold an important meeting tonight to discuss methods of buying implements, etc., which the society will put into force in the near future. It is also rumored that the society will today call on the telephone users to attend this special meeting to discuss the raises being made by the Bell Telephone company.

BUY YOUR SEED NOW

Now is the time for farmers to purchase their seeds, advises the Agronomy Department of the Agricultural College. By getting seed early they can secure the best on the market. If, however, they wait until a few days before planting, anything that the local market affords will have to be taken; which quite often results in getting inferior seed, and consequently results in poorer crops. By all means begin to get your seed in plenty of time. In buying seed beware of impurities and low germination.

"ONE SPOONFUL ENOUGH" SAYS DRUGGIST

H. B. Merriew states that the simple mixture of buckthorn bark, glycerine, etc., known as Adler-I-ka, is causing great surprise because just ONE SPOONFUL relieves constipation, sour or gassy stomach almost IMMEDIATELY. It is so thorough a bowel cleanser that it is used successfully in appendicitis. Adler-I-ka acts on BOTH lower and upper bowel and the INSTANT effect is astonishing. It never grips and is perfectly safe to use. H. B. Merriew, druggist, Lehi. The American Fork Drug Company report great success. Adv.
